Du Verre Hardware is proud to announce their award win for The Decorative Plumbing and Hardware Association's 2015 Innovative Hardware Product of the Year for their Argyle Round Knob.

The 2015 award recipients were formally recognized at the 2015 DPHA Annual Conference and Product Showcase recently in La Jolla, California. The 17th annual DPHA Awards Program recognize outstanding individuals, companies, and products that embody the beauty and lasting quality that drive the excellence found throughout the decorative plumbing and hardware industry.

"We are honoured to have this recognition from the Decorative Plumbing and Hardware Association," stated Gina Lubin, Creative Director and CEO of Du Verre. "I love Argyle! it pops! It is strong visually and functionally and as always, we're proud of it's use of sustainable materials."

ABOUT DU VERRE

Du Verre Hardware is a leader in quality and original design for contemporary cabinet hardware. With an outstanding roster of award winning designers, Du Verre Hardware collections are an indispensable resource for design loving consumers and professionals alike. Du Verre Hardware can be found in some of the most beautiful interiors being created today.

Du Verre Hardware is environmentally friendly. The cabinet hardware is made from recycled aluminum and is compatible with LEED objectives. All items are in stock for quick shipping. Du Verre ships around the world.
